Product Description:

BMW of 3 series Sedan Gas Petrol 2.5L 218PS L4 160kW/250Nm R17

The 2010 BMW 3 Series was a shining star in the automotive field of that era.

From the appearance, it is elegant and powerful, with a perfect body proportion and smooth lines giving it a unique rhythm. The unique wheel design is like a dynamic art scroll while driving.

Stepping into the car, the luxurious texture hits you. The delicate leather and exquisite wood grain decoration, every detail shows the exquisite craftsmanship of BMW. The spacious interior space brings a comfortable driving experience for passengers.

In terms of power performance, the 2010 BMW 3 Series is excellent. The powerful engine output instantly ignites your driving passion. Its quick response and rapid acceleration allow you to enjoy the perfect combination of speed and passion.

Handling is the soul of the BMW 3 Series. With precise steering and a stable chassis, it can flexibly respond to bustling urban streets or winding mountain roads, bringing you the ultimate driving pleasure.

The 2010 BMW 3 Series is the continuation of a legend and the persistent pursuit of the driving dream. It is not only a means of transportation, but also a loyal partner in your life, accompanying you through every wonderful journey.
