Product Description

Product Description:

Used Cadillac XTS

Looking for a luxury sedan that blends comfort, performance, and modern technology? This 2018 Cadillac XTS 28T Technology model could be the perfect match for you. Well-maintained and offering a sophisticated driving experience, this car is in excellent condition with sleek styling and impressive features.

Powered by a 2.0L turbocharged engine, the XTS delivers 269 horsepower and smooth, responsive acceleration. Paired with a 6-speed automatic transmission, this luxury sedan offers a refined ride and excellent handling, making it ideal for both city driving and long highway journeys.

The spacious interior is designed with comfort in mind, featuring premium leather upholstery, heated and ventilated seats, and a high-quality sound system. The Cadillac User Experience (CUE) system includes an 8-inch touchscreen with navigation, smartphone integration (Apple CarPlay and Android Auto), and voice recognition, keeping you connected and in control.

Safety is a priority in the XTS, equipped with advanced driver assistance features such as parking sensors, a rearview camera, blind-spot monitoring, and lane departure warning. This ensures peace of mind for you and your passengers.

With a generous trunk space and roomy back seats, this XTS is perfect for families or professionals who value comfort, style, and safety.

Don't miss the chance to own this premium sedan that combines Cadillac's renowned craftsmanship with modern technology. Contact now to schedule a viewing or test drive!
